Omschrijving Haarlemmerweg 157H

Fully renovated and furnished ground-floor apartment with a sunny garden!

This fully renovated and tastefully furnished ground-floor apartment will become available on July 1, 2026. The home combines modern living comfort with characteristic high ceilings and features a lovely green city garden. Thanks to the high-quality finish, complete furnishings, and central location, this is a move-in ready home for anyone who wants to live comfortably in Amsterdam immediately.

Upon entering, the hallway provides access to the toilet, the bedroom, bathroom, stair cupboard, and the bright living room with an open kitchen. Beautiful wooden flooring runs throughout almost the entire home, creating a warm and stylish appearance.

The modern light grey kitchen forms the heart of the home and is equipped with all desired built-in appliances, including an induction hob, extractor hood, dishwasher, refrigerator, freezer, and combination microwave. The practical sink island offers extra workspace and makes the kitchen a cozy place to cook and relax.

The living room benefits from the high ceilings and the sleek finish with plastered walls and ceilings, creating a spacious and contemporary feel. The spacious bedroom features a wooden floor, large windows for plenty of natural light, and atmospheric recessed spotlights in the ceiling.

The bathroom is fully tiled and luxuriously finished with a bathtub, separate shower, wall-mounted toilet, and a wide vanity unit. Additionally, the property features a separate laundry room housing the Remeha central heating boiler.
